

1 Using Acronyms

Acronym first use: support vector machine (SVM). Second use: SVM. A use SVM within a sentence.

2 Using Glossaries

Glossary use, various cases:

- Chop the cabbage, potatoes and carrots.
- Or, more loudly: Chop the Cabbage, Potatoes and Carrots.
- For a small appetite, use only one, potato and carrot.

But do not use the Fish Age; that's something entirely different. However, how about ?

Glossary

cabbage vegetable with thick green or purple leaves. 1

carrot orange root. 1

Fish Age A common name for the Devonian geologic period spanning from the end of the Silurian Period to the beginning of the Carboniferous Period. This age was known for its remarkable variety of fish species. 1
